

## Save the Date! 3rd Annual Global Track & Trace Consortium

June 2, 2011 | Ringoes, NJ

Please join us and industry leads on June 2, 2011 for the 3rd Annual Global Track & Trace Consortium. Come together with your peers at The Ridge at Back Brook in Ringoes, NJ to discuss global industry issues and challenges as they relate to Track & Trace.

The agenda will provide insight and information on topics that will add value and assist in the planning and execution of your global Track & Trace initiatives. Topics that will be addressed include:

- Update of Global Compliance and Regulations
- Peer Panel Discussions
- Industry and Anti-Counterfeiting Update
- Serialization and its Impact on Cold Chain
- EU-FDA Update - Brazil - India - China - EU - US

A formal invitation and detailed agenda is to follow. For any questions about the 3rd Annual Global Track & Trace Consortium, please contact [tss@excellishealth.com](mailto:tss@excellishealth.com).
